To Educate All Children in Hope

A program of World-Wide Lighthouse Missions, Inc.

Thank you for becoming
a T.E.A.C.H. Supporter!

Changing The Future

So many children hunger not only to be fed, but also to learn, to be directed, and even just to be loved. It is our heart's desire to change the future for these precious lives. Together, we can ~ **one life at a time!** We believe, that as these children grow and come to know that they are loved and learn their potential, they too will show the same love and knowledge to others.

Through your kindness, the T.E.A.C.H. program will continue to thrive within each country where we endeavor to bring change. **Monthly committed** sponsors are greatly needed to ensure that each teacher gets a salary and each student can receive supplies, uniforms and nourishing meals. The enclosed **Support Form** indicates the different countries that you can choose to support on a continuing basis.

On the reverse side of this introduction, you will find instructions for getting started. If you are unable to commit monthly, your one-time gift will be a great blessing and welcomed with much gratitude. Please note that according to the monthly need, WWLM may re-designate your donation within the T.E.A.C.H. program so that all may benefit.
